

**Early Music Mornings at Henstridge.  
Wednesdays 10.00 to 12.00  
Starting November 9<sup>th</sup>**

Do you play the recorder, string instrument or any other early instrument and love the music of the 16<sup>th</sup> and 17<sup>th</sup> centuries?

I am starting a weekly session for Early Music enthusiasts to play together and enjoy this wonderful repertoire. It will initially be a mixed ensemble with the possibility of splitting into smaller consorts or expanding to involve voices depending on the interests of the participants. The sessions will be led and lightly tutored by me but will have the feel of a club rather than a class.

I am an experienced professional player in the field of Renaissance and Baroque music, tutor for the Cambridge Early Music Summer School and play and teach both wind and string instruments.

Further information about me can be found at  
[www.franceseustace.com](http://www.franceseustace.com)

To find out more about the sessions and to express an interest please email via my website or phone 01963 370109.
